Sheila's house

My name is Sheila, I am nine years old and I am from London, the capital of England. I live with my mother in a little house in Hampstead Heath. There is only one bedroom in my house, so I sleep with my mother. I love her very much.

My house is very small, but cozy. It is brown with brown windows and black roof. Upstairs there is a bedroom, a corridor and the bathroom. Downstairs there is a living room, a kitchen and the hall. We don't have a dining room, so we eat our meals in the kitchen. There is also an attic in my house where I have my laptop and I practice my dance moves. I love my house!
